

Bibles for Schools

Every new school year Emma goes into both Whitefriars and Denfield schools to introduce herself to the new year 3 children and to talk about the sets of class bibles which will be used throughout their time at school. She is able to spend a lesson with the children exploring the class bibles and sharing her favourite bible stories. The children have daily access to the picture bibles and use them during their R.E curriculum. In the final term of year 6 Whitefriars church gift each child their own personal copy of the Rainbow Good News bible to take home and keep. These bibles will be personally labelled for each child and given out as part of our Moving On transition workshop in the summer term.

Please pray for the following:

- The class bibles will be well used and enjoyed by the children and staff.
- Thank you for the Year 6 "It's Your Move" workshop and pray for all year 6 students will have a successful transition to their new schools.
- For preparations for October's Golden Reunion with both Whitefriars and Denfield Primary
- For the 120 year 6 students who will receive their own personal bible. Please pray that they will be read by the children.
