

# Mission Aviation Fellowship

Mission Aviation Fellowship is a Christian organisation operating 27 programmes in developing countries to reach the world's forgotten people- those living out of sight, out of mind and out of hope. With land access denied by inaccessible terrain- due to natural disaster, war or economic crisis- thousands of communities are completely isolated.

Operating around 131 light aircraft, MAF's pilots fly into more than 1,400 remote destinations. Whether landing in deserts or jungles, on lakes, rivers, tracks or roads, MAF planes transport essential medical care, food, water, relief teams and church workers to those in desperate need. Each flight carries practical help, spiritual hope and physical healing to thousands of men, women and children for whom flying is not a luxury but a lifeline. MAF is flying for life.

Please pray that there will always be enough MAF staff, to cover every aspect of their work. It's obvious they will always need pilots and aircraft engineers, but so many other gifts are also needed, i.e. financial & administrative to name just two

Pray that there will always be enough financial & prayer support for their work to continue.

Pray for the many families who have left the security of their home countries, to serve with MAF in different countries with different cultures.

Pray for continued good relationships between MAF and the many partner organisations, they serve with.
