

My Child

My Child is a charity set up by Ruth Kirabo, who lives in Uganda and delivers the projects which include social welfare, adult & child education, and Christian evangelism and discipleship. The projects have been serving local needs since 2010. Please pray for Ruth who works unpaid, full time for the charity in Uganda, overseeing all the projects. Please pray for the volunteers who help Ruth and those who benefit from the work of the charity. Thank God for all that the charity has been able to do over the past 13 years including paying tuition fees for children to attend school, feeding the elderly, providing adult education and hosting Christian conferences for women, pastors and girls. Please ask God to continue providing the funds to enable the work to continue. In particular, My Child would like to purchase a generator for the library it runs so that computer classes can continue throughout the regular power cuts that they experience.

Thank you so much for your support of My Child. Although we are only a very small charity, God is doing amazing things through the work.
