

Youth Ministry Report 2024/25

Our youth ministry over the past year has been a joy to lead. We have loved working alongside our wonderful young people and seeing their faith grow. A particular highlight was our trip to Limitless in the summer, where the youth got the chance to worship and learn alongside other Christians. It was really exciting to see them going deeper in their faith, praying for each other, developing a love for scripture and just having loads of fun too. Since coming back, we have enjoyed hearing from lots of guests from across the church on a Sunday evening, including some of our own members of Ignite, who have shared their wisdom on a wide range of topics. We have also introduced a termly worship evening where we gather together to pray and worship creatively. It has been wonderful to see how our young people's faith reaches across all aspects of their lives, hearing their stories of leading faith groups at school, radically changing their habits in areas such as screen time, and using hobbies and sports as an expression of worship. We have really valued the support and encouragement that the church gives to our young people, and would love you to join us in praying in particular for continued strong relationships between the members of Ignite as we seek to develop our safe space for them to thrive. We would like to extend a huge thank you to everyone who has visited and shared with us this year, and in particular to Caroline for giving a week of her time to make the Limitless trip possible.

Rosie, Josh, Eve and Matt
